

CP 星級制 CP "STAR LEVEL"

為確保CP質素，「CP一電通」的CP共劃分為六個級別，最低為零星級及最高為五星級，CP會員晉升程序如下：

To ensure the quality of CP, all CP of "1Call Power" were divided into six levels, with minimum of zero stars and maximum of five-star. CP membership promotion procedures are as follows:

《供電電纜(保護)規例》已於2001年開始全面實施，如未有在工程展開前採取合理步驟，或未有採取與工程有關的合理措施，以致造成電力意外或電力供應故障，違規者最高可處罰款200,000元及監禁12個月。

Electricity Ordinance CAP 406H (in full operation since 1 Apr 01), which requires prior to commencement of works, all reasonable measures should also be taken to protect the underground pipes from damage. If any person who contravenes the ordinance, the offender is liable to a fine of \$200,000 and to imprisonment for 12 months.

Please refer to relevant EMSD website for details / 詳情請參閱機電工程署相關網頁
